ANM will submit the Anganwadi Reporting Form to the Block by $_{
m AUGUST~29,~2018}$

Remember:

National Deworming Day: 10 August 2018

Mop-up Day: 17 August 2018

Date of submission of Anganwadi Reporting Form: 22 August 2018

Note:

- 1. On the other side of this page, is the National Deworming Day reporting form
- 2. Separate the reporting form from the handout by the perforation
- 3. *Anganwadi* worker should ensure compilation of the correct data into the reporting form and submit it as per the schedule to the ANM

Reporting Guidelines for Anganwadi

- Take a copy of the list of out-of-school children from ASHA (ASHA Reporting Form)
- Anganwadi worker should use ASHA's list to update her record when filling the form
- On National Deworming Day, along with administering the tablet, every *Anganwadi* worker will mark a single tick (✓) next to each dewormed child's name in the *Anganwadi* register in the list prepared by the ASHA
- On Mop-up Day, every Anganwadi worker will mark a double tick (

 √√) next to each dewormed child's name in the Anganwadi register
- The *Anganwadi* worker will count number of ticks after National Deworming Day and Mop-up-Day separately. She will used the list prepared by ASHA for the number of out-of-school children aged 6-19 years
- The *Anganwadi* worker will compile the reported data and submits the *Anganwadi* Reporting Form to the ANM
- The *Anganwadi* worker should ensure that the reported data must match with the actual records before filling the form
- Keep one copy of the reporting form at your *Anganwadi* center for records and verification purposes
