

## **National Programme for Control of Blindness and Visual Impairment (NPCB&VI)**

### **Detailed Notes and Justification for PIP 2022-24**

#### **The following activities are implementing under NPCB & VI :**

##### **Eye Screening:**

- 400 identified Screening Teams are available in all Districts.
- Mandal wise screening is being conducted on saturation mode by identified Screening teams with Portable AR and Trial lens boxes. The mobilization of the Old age people is being done by village volunteers and Village Secretariat Staff along with NGO Teams.
- 60 years and above age group target is 56.88 Lakhs and completed 31% screening, remaining target to be completed by September-2022.
- The Screening Teams under the guidance of facility level Ophthalmic Surgeons and District Programme Managers, will examine and provide Medication / Spectacle Prescription / Cataract surgery referrals to Surgical facilities etc.
- Conducted Eye screening as on 12,68,144 in the FY. 2021-22.

##### **Spectacles Distribution:**

- The screening data are uploaded in a live web portal for providing of spectacles by the identified vendors.
- Those who require spectacles the data will be uploaded and ordered in online mode to the vendor agencies for supplying of spectacles.
- After receiving of the spectacles and data by the vendors, the processed spectacles will be directly delivered to the Districts for delivery to the beneficiaries.
- At the Districts level the Spectacle Distribution Cell (SDCs) will verify the Spectacle power and Physical integrity and quality of the Spectacles and the power check is done with Auto lensometer and if quality power, tallies with prescription this will be confirmed in the online web portal and the spectacles are further forwarded to be delivered to beneficiary through Primary Health Care staff under the guidance PMOO / PMOA.
- Spectacles distribution done as on 7,38,603 in the FY. 2021-22.
- It is proposed 10.85 lakhs Spectacles in the FY 2022-23 and 11.90 lakhs Spectacles proposed in the FY 2023-24.

##### **Cataract Surgeries and other eye surgeries :**

- 52 Govt. Health facilities are strengthened with 18 types of Ophthalmic Equipment and 133 Surgical Centers are providing Surgical Interventions (52 Govt., 81 NGOs).
- The screening data of cases requiring surgical interventions are uploaded in the web portal for providing interventions.

- The Screening Teams are mapped with nearby Govt. Surgical centre / Regd. NGOs.
- Total No. of Cataract Surgeries done as on 2,37,629 cases in Govt. facilities, NGOs and PMPs in the FY. 2021-22.
- It is proposed 85,000 cases in NGO eye hospitals and 40,000 cases proposed in Govt. facilities in the FY. 2022-23 and 90,000 cases in NGO eye hospitals and 45,000 cases proposed in Govt. facilities in the FY. 2023-24.
- Total No. of Diabetic Retinopathy cases done as on 11,264 cases in all facilities in the FY. 2021-22. Hence it is proposed 2,300 Diabetic Retinopathy cases in the FY. 2022-23 and 2400 Diabetic Retinopathy cases proposed in the FY. 2023-24.
- Total No. of Childhood blindness cases done as on 985 cases in all facilities in the FY. 2021-22. Hence it is proposed 600 Childhood blindness cases in the FY. 2022-23 and 650 Childhood blindness cases proposed in the FY. 2023-24.
- Total No. of Glaucoma cases done as on 4,444 cases in all facilities in the FY. 2021-22. Hence it is proposed 600 Glaucoma cases in the FY. 2022-23 and 650 Glaucoma cases proposed in the FY. 2023-24.
- Total No. of Keratoplastiy cases done as on 1,066 cases in all facilities in the FY. 2021-22. Hence it is proposed 1,100 Keratoplastiy cases in the FY. 2022-23 and 1,150 Keratoplastiy cases proposed in the FY. 2023-24.
- Total No. of Vitreoretinal surgery cases done as on 1,260 cases in all facilities in the FY. 2021-22. Hence it is proposed 100 Vitreoretinal surgery cases in the FY. 2022-23 and 150 Vitreoretinal surgery cases proposed in the FY. 2023-24.

#### **Eye Ball Collections:**

- Total No. of Eye ball collected as on 2,755 in eye banks and eye donation centres in the FY. 2021-22.
- It is proposed 6,550 cases in the FY. 2022-23 and 6,600 cases in the FY. 2023-24.

#### **Trainings:**

- 1.20 lakhs i.e. ASHA, ANM, Public Health Staff under the supervision of Trained Teachers at School Premises were trained in Primary Eye Screening at District level before launching of Dr. YSR Kanti Velugu Programme.
- LV Prasad Eye Institution is the supporting and mentoring Training Partner for effective implementation of Kanti Velugu Programme.
- Trainings are conducted for PMOOs / PMOAs through LV Prasad Eye Institution. Refresher Courses on Refraction Techniques to PMOAs and Training on Clinical Techniques and Community Eye Care to PMOOs are also under taken periodically.
- IOL wet lab training to Poor performance of ophthalmic surgeons and “on site Practical Training”.
- Community Eye Health concepts and Management skills for DPMs.
- Hence it is proposed budget for conduction of Trainings to PMOOs / PMOAs which includes online classes and hands on practical diagnostic techniques.

**IEC Activities:**

- Medical records, Referral cards, Pamphlets, Posters, banners are provided to all screening Centers.
- Hence it is proposed for State level and District level IEC activities for awareness of the programme (World Sight day, Glaucoma day, Eye Donation Fortnight).

**Tele – Ophthalmology – Vision Centres :**

- Tele-Ophthalmology services are providing by the Govt. of Andhra Pradesh in the identified 115 Vision Centres in PPP mode.
- Patients are screened by walk-in mode, Patients data uploaded in web portal by Aadhar and Mobile numbers.
- All patients are screened with AR, and also fundi are captured through fundus camera for required patients and uploaded in the web portal for specialist services which is available for suggestions and for appropriate interventions.
- Total No. of Patients visited as on 5,21,794, Spectacles distribution done as on 3,04,502 and fundus images taken 2,69,174 in the FY. 2021-22.
- It is proposed 6.5 lakhs Spectacles in the FY 2022-23 and 6.5 lakhs Spectacles proposed in the FY 2023-24.
- It is proposed 2 lakhs Tele-Ophthalmic consultation for fundus images in the FY 2022-23 and 2 lakhs Tele-Ophthalmic consultation for fundus images in the FY 2023-24.

**Strengthening of Facilities:**

- 52 Govt. Surgical centres are strengthened with 18 types of Ophthalmic Equipment.
- In the 2022-23 it is proposed for strengthening of District Hospitals .i.e. DH Tenali and DH Markapuram as per GOI Guidelines.
- In the 2022-23 it is proposed for strengthening of Area Hospitals i.e. AH Nagiri and AH Pulivendula and AH Tuni and AH Kalahasti in FY. 2023-24 as per GOI Guidelines.
- Strengthening of Eye Bank at REH, Kurnool in FY 2021-22 under process. In the 2022-23 it is proposed for strengthening of Eye Bank at GGH Vijayawada and SVRR Tirupati and at GGH Guntur and GGH Kakinada in FY 2023-24 as per GOI Guidelines.
- It was also proposed to provide eye screening facility at all 10,030 Health and wellness centres.
- As per GOI Guidelines proposed budget for procurement of Multi Purpose Dist. Mobile Ophthalmic Unit with Equipment and Salary of Driver and POL, hence it is proposed to strengthen 13 Mobile Ophthalmic Units.
