D.O. No. L.19017/69/2017-NUHM
17th January, 2018

Dear Colleagues,

As you are aware, National Urban Health Mission (NUHM) is one of the sub-mission approved under an overarching National Health Mission (NHM) and aims to provide equitable and quality primary healthcare services to the urban population with special focus on slum and vulnerable sections.

It is stated that during the Pre-budget consultation meeting held on 6th December, 2017 under the Chairmanship of Hon'ble Finance Minister, one of the discussions pertained to the health and safety measures for sanitation workers.

In this regard, the States/ UTs may like to take up Health Check-up Camps for the sanitation workers in the urban areas, particularly in view of health risks on account of nature of their duties. States may seek approvals under the NUHM for such an activity.

With warm regards,

Yours sincerely,

Preeti Pant
