Subject: Issues pertaining to Fairfax dialysis programme under Pradhan Mantri National Dialysis Programme (PMNDP)

This is to bring into your kind notice that there are few issues with reference to the Fairfax dialysis programme under PMNDP which need your urgent attention.

1. Delayed project completion by the States

- A Cut-off date of 30th Sept. 2019 has been fixed for all pending machine allocations to the States supported by Fairfax dialysis programme under PMNDP. Please note that if the State fails to provide centre readiness before 30th Sept. 2019, then all the pending allocations would lapse on 1st Oct. 2019.
- It is therefore requested to expedite all the pending processes and send the centre readiness reports at the earliest.

2. Patient screening or disease awareness program not initiated

- It is requested to urgently initiate patient screening or disease awareness programs on a regular basis and ensure the optimal utilization of each and every dialysis machine i.e. more than 40 dialysis/machine/month.

3. Machines demanded at a short notice by states

- This is to bring into your kind notice that Fairfax India Charitable Foundation (FICF) would need a minimum of 60 days to deploy the machines after the centre readiness report is received from the state.

Action taken report on the issues mentioned above may kindly be furnished to this Ministry within next 15 days.

Yours' faithfully,

(Dr. Sandhya Bhullar)
Director (NHM-II)
