Worm Free Children Are Healthy Children

National Deworming Day

Did you know that children who have worms:

- Always feel tired because of malnutrition and anemia
- Can have impaired physical and cognitive development

Worm infection is easy to control

10 August 2017

All children aged 1-19 will be administered the deworming tablet at all schools and Anganwadis free-of-cost. Unregistered and out-of-school children will be dewormed at Anganwadis.

Children who could not be dewormed on National Deworming Day must be administered the tablet on mop-up day 17 August 2017.
