**If monitoring site is government/private school, please fill in the below two points:**

- a) Total children enrolled in the school
- b) Total attendance in the school on the day of monitoring visit

### MONITORING SECTION: Circle the correct option based on your observations and interviews.

**NDD Observations**

1. Does the school/AWC have deworming drugs?  
   - 1. YES  
   - 2. NO (If No, skip to Q.4)

2. Are the drugs available in sufficient quantity to deworm the enrolled as well as out-of-school/unregistered children?  
   - 1. YES If Yes, specify the quantity of drugs - __________  
   - 2. NO

3. What is the expiry date of the drugs?

4. Does the school/AWC have the following provisions for the deworming process? Circle all that apply.  
   - 1. School/AWC handout/reporting form  
   - 2. Drinking water  
   - 3. ORS Packets  
   - 4. Others (specify)

5. Are the deworming drugs being administered to children?  
   - 1. YES  
   - 2. NO

6. If NO, why deworming is not happening at school/AWC? Specify reason.

7. If YES, who is administering the drugs to the children? Circle all that apply. *(If the deworming has already happened, check with school headmaster/AWW)*  
   - 1. AWW  
   - 2. Teacher/Principal  
   - 3. ASHA  
   - 4. Other (specify) __________

8. Is the ASHA present at the AWC? *(This question is applicable to Anganwadi Centre only)*  
   - 1. YES  
   - 2. NO (If No, skip to Q.10)

9. Is the ASHA assisting the AWW in the deworming process? *(This question is applicable to Anganwadi Centre only)*  
   - 1. YES  
   - 2. NO

10. Is the teacher/AWW separating sick children from healthy children before deworming?  
    - 1. YES  
    - 2. NO  
    - 3. Incase not able to observe as deworming already happened, check with teacher/AWW

11. Did the teacher/AWW tick (√/√√) each child’s name in the attendance register after giving them the drug?  
    - 1. YES  
    - 2. NO  
    - 3. Incase not able to observe as deworming already happened, check with teacher/AWW

12. Did the ASHA/AWW make a list of the out-of-school/unregistered children who got the drug?  
    - 1. YES  
    - 2. NO  
    - 3. Non-enrolled children did not receive drugs at this AWC

13. Are out-of-school children getting deworming drug in the school/AWC?  
    - 1. YES  
    - 2. NO

14. Are teachers giving any health education related to deworming to the students?  
    - 1. YES  
    - 2. NO  
    - 3. If Yes, check with 1-2 students if they are aware of deworming benefits and make note

15. Whether children are given appropriate dose (half tablet for 1-2 years/one tablet for 2-19 years) of Albendazole by teacher/AWW?  
    - 1. Yes  
    - 2. No

16. Are teacher/AWW asking children to eat tablets in front of them only?  
    - 1. YES  
    - 2. NO  
    - 3. Incase not able to observe, make note

17. Whether children are told to chew the tablet before swallowing it?  
    - 1. YES  
    - 2. NO  
    - 3. Incase not able to observe, make note
### Training Aspects

18. Have you or any other person from your school/AWW attended official training for deworming in the last two months?  
   - YES  
   - NO  
   If NO, specify reason - ____________________________________________________________________________

19. If YES, did those who attend deworming training provide training to others?  
   - YES  
   - NO  
   If NO, specify reason - _______________________________________________________________________

20. Where did the teacher/AWW receive training?  
   - At school  
   - At Block-level training  
   - At District-level training  
   - Other (Specify) ________________________________________________________________________

21. Materials received during training?  
   - Tablets  
   - Poster/banner  
   - Handouts /reporting form  
   - Adverse event reporting form  
   - Others (Specify) ________________________________________________________________

22. Did you receive any SMS about the NDD?  
   - YES  
   - NO  

### Adverse Events

23. According to the teacher/AWW, can the deworming drugs be administered to sick children?  
   - YES  
   - NO  
   - Don't know

24. Is the teacher/AWW aware of the possibility of adverse events from deworming?  
   - YES  
   - NO  
   - Don't know (Skip to Q.26)

25. If YES, according to the teacher/AWW, what is the appropriate response in case of severe adverse events?  
   - Let the child rest in an open and shaded place  
   - Provide clean water to drink  
   - Contact the ANM/nearby PHC  
   - Others (Specify) ________________________________________________________________

26. What possible adverse events could be reported by children after having the tablets?  
   - Mild abdominal pain  
   - Nausea/vomiting  
   - Diarrhea  
   - Fatigue  
   - Don't know  
   - Others (Specify) ________________________________________________________________

27. Did you witness any serious cases of adverse events in the school/AWC?  
   - YES  
   - NO

28. Does the school/AWC have phone numbers of the nearest ANM or MO-PHC?  
   - YES  
   - NO

### Community Awareness and IEC Materials

29. Which of the following IEC materials are visible at the school/AWC?  
   - Poster  
   - Banner  
   - No IEC materials  
   - Not received  
   - Others (Specify) ________________________________________________________________

30. Which of the following reference documents are available at the school/AWC?  
   - Teacher/AWW Handout/reporting form  
   - Adverse Events Protocol  
   - No documents  
   - Others (Specify) ________________________________________________________________

31. Which of the following community mobilization steps have been under taken by the ASHA before NDD?  
   - Conducted village meetings with parents  
   - Informed parents about harmful effects of worms  
   - Informed parents of benefits of deworming  
   - Informed parents about behavior change to prevent reinfection  
   - Others (Specify) ________________________________________________________________

32. From where did you get information about the recent round of deworming program?  
   - Departmental communication  
   - Television  
   - Radio Newspaper  
   - Banner  
   - SMS  
   - Training  
   - Others (Specify) ________________________________________________________________

33. What are the different ways that children can get worm infection?  
   - Having foods without washing hands  
   - Not washing hands after using toilets  
   - Not using sanitary toilets  
   - Moving in bare feet  
   - Consume vegetables and fruits without washing  

### ADDITIONAL COMMENTS:  Please write any observations that have not been captured in the preceding sections
