Worm Free Children Are Healthy Children

10 August 2016 - National Deworming Day

Did you know that children who have worms

- Always feel tired because of malnutrition and anemia
- Can have impaired physical and mental development

Worm infection is easy to control

All children aged 1-19 will be given the chewable deworming tablet at all schools and anganwadis free-of-cost. Unregistered and out-of-school children will be dewormed at the anganwadi.

Children who could not be dewormed on National Deworming Day must be given the tablet on mop-up day: August 2016
