Worm Free Children Are Healthy Children

National Deworming Day

Did you know that children who have worms

• Always feel tired because of malnutrition and anemia
• Can have impaired physical and mental development

Worm infection is easy to control

10 August 2016

All children aged 1-19 will be given the deworming tablet at all schools and anganwadis free-of-cost. Unregistered and out-of-school children will be dewormed at anganwadi.

Children who could not be dewormed on National Deworming Day must be given the tablet on mop-up day - __ August 2016
