24) Dr. A. Gunasekar, Technical Officer, WHO
25) Dr. T. Sundararaman, NHSRC, New Delhi - **Member Convenor**

2. The Terms of Reference of the Technical Resource Group would be:
   a) Defining the target group under NUHM.
b) Suggest strategies and institutional mechanism to ensure access of target group to affordable and good quality health services (preventive, promotive and primary).

c) Suggest strategies for design of the urban health programme based on the principles of equity, diversity, inclusiveness, gender sensitivity and pro-poor/vulnerability criteria.

d) Define the essential minimum health care package for each level of health care services in urban areas and effective referral procedure.

e) Suggest public investment plan for primary and secondary health care services in small, medium, large (million plus) and mega cities by clearly defining roles of Centre, State and Urban Local bodies.

f) Propose effective integration of RCH and various vertical disease control programmes, including the non-communicable diseases.

g) Propose effective institutional mechanism for convergence of urban primary healthcare services with other government run schemes responsible for health determinants.

h) Strengthening governance and management capacity of ULBs for ensuring the provisioning of health care services especially public health as per the provisions of the 74th Constitutional Amendment.

i) Scope and strategy for scaling up innovations under NRHM in urban areas for strengthening health care service delivery for urban poor.

j) Suggest the means and ways to get the private sector engaged in health care service delivery system (primary, secondary, diagnostics etc.) by defining strategy for the Public Private Partnership.

k) Suggest strategies and approaches for strengthening the community management and monitoring for improved health outcome in urban areas especially in slums.

l) Any other relevant issue the Group may decide.

3. The Technical Resource Group (TRG) will broadly follow the Framework for Implementation of NUHM while preparing the recommendations.

4. The TRG may constitute sub-groups, if required.
5. The non-official members of the TRG will be entitled to TA/DA with regard to official visits made/tours undertaken by them in this connection in accordance with the relevant Government of India rules.

6. NHSRC shall provide secretariat support to the TRG.

7. The TRG can co-opt other members as per the need.

8. The TRG shall submit its report by December 31, 2013.

Annexures:

i) Framework for Implementation for NUHM
ii) Cost norms and financing pattern of U-PHCs
